JOURNEY BACK IN TIME

WITH ITS ELEGANT ARCHITECTURE, FAN-COOLED
VERANDAS AND TEAK ARMCHAIRS THE HOTEL
CONJURES UP A BYGONE ERA

A luxury teak mansion, the delightful Belmond Governor's Residence is ideally located within the distinguished Embassy Quarter, close to Yangon's spectacular cultural attractions including the Shwedagon, the National Museum and the lively Bogyoke Market. Surrounded by lotus ponds, leafy gardens and a fan-shaped swimming pool, the hotel is a blissful retreat within bustling Yangon. Set in a verdant oasis, at night the hotel is truly magical; dinner is served alfresco in the balmy evening air by lantern-light, as tropical fragrances scent the breeze.

Accommodation

All rooms and suites are spacious and elegant; featuring hardwood floors and teak furniture. Intricate woodcarvings and sumptuous tropical silks and cottons combine to make the rooms both fresh and timeless. The styling may have a classic majesty but this is perfectly complemented by discreetly incorporated modern luxuries and conveniences.

Dining

Surrounded by tropical gardens and lotus ponds, the colonial style Mandalay restaurant offers selection of European, Asian and local specialities. The open-air Mindon Lounge is the perfect place to spend the evening, enjoying the exotic cooling cocktails and sampling some light refreshments and local delicacies.

Relax and Revive

The stunning fan-shaped freshwater pool, set amidst lush tropical gardens and surrounded by stylish sun beds, is the perfect place to take a cooling dip and completely unwind after sightseeing. Or you may wish to indulge in a soothing, refreshing treatment in the peaceful sanctuary that is The Governor's Oasis Spa.

Weddings and Celebrations

The charming facilities at Belmond Governor's Residence offer a unique and inspirational venue for meetings, events and celebrations. Our experienced catering team will ensure all arrangements go smoothly.
