

Our goal is to develop a resort offering modern luxury, sumptuous service while respecting the essence of the location.

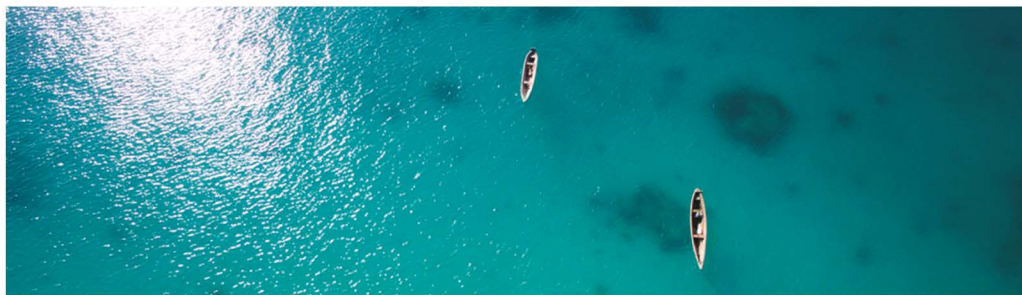

#### LOCATION

Zanzibar, the spice islands archipelago, Unguja, Pemba and Mafia, is in the Indian Ocean, 50km off the Eastern coast of Tanzania. Zuri is one hour from the airport and the capital city of Stone Town.

#### PROJECT ZURI

Discover the spiritual Zuri, nestled on the west facing beach and the azure waters of the Indian Ocean. Well recognized designers elegantly combined the 21st century tourism requirements with the environmentally friendly architecture and unique atmosphere of Zanzibar Island.

#### EXPERIENCE ZURI

Feel the freedom. Meditate in our lush Spice garden or experience the garden cooking class. Yoga & Wellness Sanctuary offers soothing massages, holistic treatments and beach yoga classes. Zuri also offers 2 restaurants, 3 bars, 32 m swimming pool, gym and 350 m of private, pristine beach.

#### ACCOMODATION

The majority of the units offer a fascinating full or partial ocean view. A small minority are located such to welcome their guests amidst tranquil tropical gardens. Zuri offers 46 design bungalows, 6 deluxe suites and 3 luxury villas with spacious terraces, some with Jacuzzis or pool and private access to the beach.

#### SUSTAINABILITY

We believe the Island's greatest products are homegrown. That's why Zuri provides its guests with amenities and services from local, sustainable, fair-trade organizations in an attempt to give back to the community that nurtures it.
