

## COURSE DESCRIPTION

El Camaleon Mayakoba Golf Course boasts an amazing layout designed by legendary Australian golfer Greg Norman. Like a chameleon from which it takes its name, the course offers constantly changing views as it winds through tropical Mayan jungle and mangrove forest before boldly stretching to the Caribbean Sea. Crystal-clear freshwater canals, massive bunkers and cenotes (subterranean caves) are some of the diverse challenges you will encounter as you play where the Pros play. El Camaleon is the home of the OHL CLASSIC at Mayakoba, the only PGA TOUR event in Mexico and Latin America.
