

**BLUE KARMA**  
RESORT - BALI

UBUD

# WHERE

Between heaven and earth, 3.5 km from the centre, in the middle of rice paddies, you'll discover "Blue Karma Ubud", our Boutique Hotel de Charme, where everything waits for you to relax, to let go...

In the middle of this verdant haven of peace, built with respect of the environment, surrounded by fruit trees and deliciously perfumed plants, nestle a 25 m pool of supple shape, our pagoda "Karma Yoga", gazebos with their thatched roofs as well as many other resting areas.

## THE DESIGN

The site is mold by Alexa Aguila Genoyer's artistic touch which you'll discover right from the lobby through her colorful paintings in contrast with the sobriety of the chosen materials such as teak, lava stone. She has succeeded in creating a very special ambiance that makes modernity serve tradition, nestled into the abundant greenery. Sobriety and the refinement of the decoration lend to the site that special soothing touch, an invitation to relax body and soul in the spiritual heart of Bali.

Weathered recycled timber, antiques from Sumba and other island of Indonesia were used create unique interiors rich in character.

## THE RESORT

Nestled on the hillside, between sky and earth, in the middle of rice paddies, our charming eco lodge Blue Karma Ubud is waiting for you...

A safe and peaceful haven where butterflies, ethnic statues and greenery mingle around wooden joglos...those traditional little Javanese huts remastered in a more modern fashion which will make your bedroom a unique and comfortable place...

Resort facilities are designed for guest comfort and needs, from 24 hours front desk service, swimming pool, spa, restaurant, yoga barn to wifi internet access.
